Claude Egli - Seasoned manager with over 20+ years of experience in Digital Transformation and Data Science.

Claude is an experienced manager in digital transformation and automation. He has a strong track record in the design, introduction and operation of new concepts together with internal and external partners in near- and off-shoring. Thereby he draws from 20+ years of working experience in IT Service Management, data science and people leadership (formal and informal).

His working experience encompasses extensive intercultural skills (India, Europe and USA), interdisciplinary skills (IT, Finance, Marketing, Development, Production and Operations) and industry knowledge (Telecom, Insurance, Retail).

Claude holds a master's in Geography and a CAS in IT Service Management. He is lecturing on "process management" and "process automation" at two universities of applied sciences.
